TO WHOMSOEVER IT MAY CONCERN

With Heartfelt thanks I remember and thank **Mr. Arockiasamy of Bangalore (ASD ESTABLISMENT)** for the installation of total Audio system in the New Church at Rochmanagar belonging to the Diocese of Sivagangai, Tamilnadu. He has used the latest mechanism of the audio system. All the equipments are handy, simple and pleasant to see and hear. However the entire Audio system has come up very well. I am happy and appreciate Mr. Arockiasamy and his team for their speedy completion of the work. They are very patient in fulfilling our needs. On the whole I am very happy and satisfied by their work. And I hope and wish that they will flourish in their work where ever they go.

All the Best

Yours in Christ Jesus
